SKILLS

- Python
- Git
- Data Exploration
- Data Analysis
- Brand Development
- · Community Organisation
- MySQL, MongoDB
- JavaScript
- lava
- C#
- R
- Weka
- Github

LANGUAGES

- Turkish (Native Language)
- English (Professional Working Proficiency)
- Polish (A1 level)

WORK EXPERIENCE

Pamukkale University

2024-2025

TÜBİTAK 1001 Project Bachelor's Scholar

I was taking part in an academic optimization project that will last until 2026. I was experiencing the research environment and had a responsibility for recording and summarizing meeting notes, as well as learning how optimization programs are used and problems are solved throughout the process.

EDUCATION

Bachelors, Computer Science and Engineering Management (Exchange Student)

2024 & 2025

Bialystok University of Technology, Poland

At Białystok University of Technology, I embraced a diverse and advanced academic curriculum. I took courses such as Data Mining, Mathematical Statistics, Internet of Things (IoT), Mathematical Calculations with MATLAB, and Object-Oriented Programming with C#, which provided me with a strong foundation in data analysis, statistical modeling, programming, and modern technologies like IoT. Additionally, I am looking forward to expanding my knowledge further with upcoming courses in Artificial Intelligence (AI), Excel VBA, Methods of Optimization, Marketing Research, and Survival Polish.

Bachelors, Industrial Engineering Student

Pamukkale University, Denizli - Turkey

At Pamukkale University, I pursued a diverse and challenging curriculum that honed my technical and analytical skills. I took courses such as Introduction to Programming with Python, Introduction to Databases with MySQL, Linear Algebra, Calculus 1 & 2, Physics, Operations Research, and Financial Optimization, while also working on numerous projects involving C, Python, and SQL.

SOCIAL ACTIVITES

Pamukkale University

Student Club Presidency

I was running university student club presidency at Pamukkale University/Türkiye. Club is called "Innovation and Development Club" Our motive is that we are trying to organise events inside and outside of campus that is beneficial for students. Our activites related with technological conferences, self-development seminars and scientific conferences. After the chairman role, helped time to time as supervisor role, part-time.
